SUBJECT

: Commendation from Admiral Moorer

Attached is a copy of a note I have just received from Admiral Moorer, the Chairman of the Joint Chiefs of Staff. As you can see, he was delighted with and most grateful for the photographic analysis of the Haiphong channel prepared by your able associates. Will you please be sure that all who worked on the Haiphong project see a copy of the Admiral's note and realize that it is his intent to convey thanks and appreciation to each and every one of them individually.
